

## **AIMS OF THE CAVENDISH SCHOOL**

We aim to provide:

- A high quality education which promotes the development and practice of Christian principles throughout the life of the School
- An educational approach that gives a central focus to helping our pupils become active and independent thinkers and learners by developing intellectual character, effective learning skills and active thinking skills
- A broad, purposeful, balanced and stimulating curriculum which acknowledges the individual contributions and needs of all members of the community so that each can work towards reaching their full potential in all areas: spiritual, intellectual, emotional, social and physical
- A safe environment where the whole community learns to develop an interest in and commitment to sustainability
- Excellent preparation for pupils to move with confidence towards the next stage of their education.

Through:

- Appointment, development and maintenance of a teaching and support staff of the highest quality
- Effective leadership that works to anticipate, plan for and manage change for future improvement in all areas of the School

We see ourselves as a caring, inclusive, non-selective community of individuals who enjoy working together to aid and appreciate each other's personal development and love of lifelong learning.
